## About Us

Blue Wave Contracting is a Service-Disabled Veteran-Owned Small Business specializing in commercial construction, mechanical contracting, project management, HVAC, plumbing, building automation, medical gas systems, test and balance, and general construction support. The company provides full-scope project delivery services from pre-construction estimating and subcontractor coordination through execution, quality control, closeout, and compliance support. Blue Wave Contracting supports commercial, institutional, healthcare, government, and mission-critical facilities through integrated mechanical and construction solutions.

## Past Performance

### Walmart Distribution Center Remodel

**Date:** March 2026 | **Value:** \$1,717,000

**Detail:** Performed plumbing work for the Walmart Distribution Center Remodel in St. James, Missouri, including sanitary sewer and vent installation, natural gas piping, compressed air piping, underground piping, tie-ins, cleanouts, fittings, testing, and complete operational system delivery.
